

A Covid secure place to live & work

Safer Staffing

- Dedicated staff for every unit
- Socially distanced staff rooms and workplaces
- Daily temperature checks

Safer Visiting

- Visiting by appointment to limit numbers
- PPE, hand sanitising and temperature checks
- Access to Residents bedrooms only

Safer Environment

- Increased cleaning and sanitisation
- Specialist training courses for all housekeeping staff
- Limits to numbers in communal areas
- Controlled deliveries and non essential visiting
- Catering services adapted to reduce transmission risk

Safer Admissions

- All new Residents tested prior to admission
- Daily monitoring of all Residents for Covid symptoms
- Positive/symptomatic Residents isolated for 14 days
